**Creative Writing**  
**Everson**

Please write a piece of creative non-fiction as either a memoir or personal essay. The former relates several experiences and helps us to see them as representing some “truth” about human nature or experience; the latter takes one or two experiences, relates them in more detail, and possibly requires more explicit explanation from you as to what the “point” (or lesson) is/was for you or for the reader (us). In either case, it’s important to use vivid imagery, clear and identifiable voice, specific scenes, and detailed characters and dialogue. Refer to ch. 7 of Burroway for help with these.

- Rough draft due at the start of class on Thursday, 3/19
- Typing work day on Monday, 3/24
- Final draft due at the start of class on Wednesday, 3/25
- 2-5 typed manuscript pages
  - 12 point, Times or Times New Roman
  - 1-inch margins all around
  - double-spaced
- Print and turn in a hard copy or e-mail to me: [mail@mreverson.com](mailto:mail@mreverson.com)
- We will workshop the rough drafts of these, not the final drafts
